OUR ROLE IS GROWING & EVOLVING

Public schools need our support, now more than ever.

With funding uncertainty at the federal, state and local levels, it is up to each of us to ensure that basic needs are met and opportunities for innovation abound.

Through programs and events across the FCPS division, we are targeting these key challenges this year:

Educate Fairfax is the 501 (c)3 nonprofit that solely supports Fairfax County Public Schools—the nation’s ninth-largest school district—through strategic, high-impact investments that advance student success and educational equity. Over 35% of the student population is economically disadvantaged (eligible for free or reduced-price meals);

We invite mission-aligned partners who believe in the transformative power of public education and want to collaborate with a results-driven team deeply connected to our schools, families, and community.

Together, we can meet urgent needs, close opportunity gaps, and build a stronger future for Fairfax County.
